BOTTLES OF CHEMICALS BURST. CAUSING BLAZE.

Firemen Flood Building to Prevent Explosion-Damage \$5,000.

Principally by Water. A dozen firemen were oversome by the

fumes of chemicals to-day while putting out a blaze in the building occupied by Charles Cooper, chemist, at No. Worth sireel. The fire itself did not amount to much, but, fearing another Warren street disaster, the firemen refused to take any chances and flooded the building from the third floor to the tellar with water.

None of the firemen overcome had to reek medical attendance. The building is five stories high and

extends through the block from Worth to Mulberry street, fifty feet east of Park Row The fire happened a few minutes after

The fire happened a few minutes after f o'clock. One of the employees dropp d two bottles of chemicals he was carrying across the third flour. They broke with a loud report and immediately the floor was ablaze. The man tried to extinguish the fire, but the flames caught his clothing and he had to turn his attention to saving his own life.

In less than five minutes after the fire started the engines arrived. The firemen rushed into the building with lines of here, but were driven back by the chemical fumes. Finally a line was taken up the fire-escapes and the whole piace flocied.

The damage is estimated at \$5,000. place flooded.

The dimage is estimated at \$5,000, mostly by water.

PAWN TICKET HOLDERS PURSUE FIRE ENGINE.

All Breathe Easter When They Find Blaze Was in a Taxidermist's Store.

Everybody in the neighborhood of Park Row and North William street at oon to-day who had anything in the payershops in that vicinity made a wild dash after a five engine that had been called there.

They were relieved to learn that the five was in the building occupied by John Murgatryod, taxidermist, at No. is North William street. It was caused by a defective flue. The damage was triking.
